

# BUNNINGS DIY CLINIC'S 2010

***The monthly Bunnings DIY clinics commence on Tuesday 16th March and then the 3rd Tuesday of every month (finishing in November)***

***Some changes have been made to these sessions. We will now be educated on all things gardening by the team at Bunnings Coburg!***

***Leanne and her team will take over from the team at Bunnings Maribyrnong at 11am till 12 noon (note, this is a NEW starting time).***

***Everyone is welcome to attend, why not make it a regular outing? Get a group of friends together and make an afternoon of it; we'll even book you into the Bistro each month so you can enjoy lunch after the clinic!***
